**RE: Terminal 117 Upland Property, Seattle, WA**  
40CFR 761.61(a)(E) Owner Certification

The Port of Seattle (Port) is submitting this *Risk-based disposal approval* application to the US Environmental Protection Agency (EPA) Region 10 in accordance with 40CFR761.61 (c) for a Time-Critical Removal Action at the Terminal 117 upland property in Seattle, WA. The Port is the owner of the Terminal 117 property. As part of this application, the Port provides the following Owner certification per 40CFR76.61(a)(E):

I certify that all sampling plans, sample collection procedures, sample preparation procedures, extraction procedures, and instrumental/chemical analysis procedures used to assess or characterize the PCB contamination at the cleanup site, are on file at the Port of Seattle located at Pier 69, Seattle, Washington and are available for EPA inspection.

A handwritten signature in black ink, appearing to read 'Wayne Grotheer', written over a horizontal line.
